Customer Reviews

Pretty good. A quick read. A little predictable, but that's just my opinion.

One of the best pieces of literature I have ever read. No wonder it's still in print 2000 years after it was written. A classic that is as relevant today as it was back then.

Wilde is such a great wordsmith with such an exceptional wit it's hard not to simply love his works. However, this story isn't just funny it is loaded with poignant social commentary and a moral about forgiveness that is timeless. While not as well read or loved as "The Importance of Being Earnest," it's a play that should be read and performed often.

great book

He's a wonderful author.

I am a huge fan of Oscar Wilde, and I enjoyed reading this very much. He hasn't lost his edge, even after 100+ years.

ok
