Victory Awaits the Brave!

Michael Knight and Trisa Knight are experienced writers on a variety of subjects, including parenting and children. They live in Rocklin, California, with their three children, who they never tire of taking to Disneyland and the surrounding attractions.

For the relatively few of us who want to revisit this classic great war sim this guide is a nice refresher course. If you have never played before then it is a very good guide to understanding the action and avoiding frustration. The trend today is to play the game with the upgrades made by fans

over the years. This book doesn't cover those but of course it couldn't be expected to.
