## Customer Reviews

There is so much information in this book. I have never seen a travel guide that is so comprehensive. This guide does not talk about the typical trip, This book is so much more. It talks about where to travel all around St Petersburg. If you want to travel to St Petersburg, this book can help you navigate the attractions, food, and tourist activities to do in these areas. This St Petersburg travel guide is a perfect kind of guide!

St. Petersburg travel guide is very basic and I would appreciate more details since I will be alone without using a guide
