Started as a hobby in 1979, Zagat Survey is now the world's leading provider of consumer survey-based information on where to eat, drink, stay & play worldwide. With ratings and reviews based on the opinions of over 350,000 surveyors from around the globe, Zagat Survey has become the world's most trusted source to help consumers make informed decisions about restaurants, nightspots, hotels, attractions and other leisure activities. Zagat Survey is based on a simple premise — that the shared opinions of thousands of avid consumers with real experiences are

inherently more accurate than the opinions of just one or two critics. Through our guides, we give people the power of a collective voice and the information to make smart decisions.

Zagat reviews for any place on earth are simply the best. It may be nice to know that a chef earned a Michelin star, but I'm happier knowing how other folks like me feel about the place. I got the book on Chicago to me quickly, when an unexpected trip presented itself.
