- Contains 48 specific messages from the Angels, designed for quick access to practical guidance when needed in daily life

Angels are loving forces in our lives. Each of us has the ability to communicate with them if we open our minds to their teachings. Belinda Womack was a believer in Angels until the age of 12, when she decided she wanted to become a scientist. Years later, working in a biology lab, she found herself in the presence of the Archangel Gabriel and realized her calling as a spiritual conduit for Angelic healing and support. In this book she shares lessons, practices, and daily guidance from the 12 Archangels to help us listen to and heal our wounded inner child, release our fears, and enact deep subconscious transformation. Each word, transmitted directly from the 12 Archangels, carries their love, so that when read, the love is absorbed into the reader's mind and supports the release of our deepest wounds and fears. The tools and exercises shift your vibration so results are both felt and experienced immediately. Each message awakens your innate spiritual power to rebuild destroyed self-esteem, lifting you higher in vibration and allowing life to be filled with the power of your own divinity. The book includes Angelic guided visualizations on working with Angels to access the healing power of the chakras and to manifest with the creative imagination, as well as specific messages from the 12 Archangels designed for quick access to practical guidance when Angelic support is needed in daily life. As Belinda Womack shows, by opening ourselves to the support of the 12 Archangels, we can move out of the past and into Heaven's abundance, heal our inner wounds, and shift our vibration to one of unconditional love for self, others, Mother Earth, and the Universe.

“Her words flow like a crystalline river whose source she entices you to find. Follow her words, open the book anywhere you are guided to, plunge into the world she lives in, and you will begin to get the taste of Oneness.” (From the foreword by Catherine Shainberg, Ph.D., author of Kabbalah and the Power of Dreaming) "This is a delightful angel book that is practical as well as informative." (New Spirit Journal, Krysta Gibson, September 2015)

Learning about the child inside and how to clear unwanted emotions. Thank you!

The first section of this book is the "Angel Treasury" which consist of 6 chapters. The information given is of a very high vibration The short meditations throughout the book are very easy to do as they are written in a simple and direct manner. The second part of the book has 48 practical application Angel messages. I prefer to randomly pick a message for the day and have found it to be very specific to whatever issue or imbalance I am dealing with that day. The author expertly guides you to realize your own healing by accessing your higher self. I highly recommend this book for anyone who is on a spiritual journey.

Full of wisdom and articulates so much of what I believe but couldn't put into words!

One could ask,how did Belinda get the Angels in this book.They are so present,no matter how you read it,page by page or by random,this book is a magnificent tool for all.

I recommend this book to everyone! Even if you don't believe in angels, (as silly as that is) trust me you'll love this book. It's simply written with powerful visualizations that are genuinely healing. I cherish this book!

Belinda Womack is the real deal. Great book, highly recommend.

The meditations in this book are amazing! I have done a few of them and the clear descriptions that Ms. Womack suggests to manifest in your mind are awesome!! Like walking in the 'purple rain', or 'laying on an emerald table'. They are so easy to do and work so well. I love this book and if you are on the fence, go ahead and buy it. You will not be disappointed!!

Life changing perspectives on connecting with readily accessible dimensions within yourself and their connections to creation. The meditations and affirmations feel more natural and doable than most and really work.
