This book was really good, but Alex was really mean in this one. A lot meaner than usual. I know its called Angry Alex, but Alex was a jerk in this one. I loved every other book in this series, but this one is just ok. At other times this book was super funny like when Alex was abandoned (and her feelings towards that) but at other times I was a shocked at her and her cruelty. I had really mixed feelings about this book. I am gonna keep reading the series because its one of the best series ever, but I was a little surprised that she was super mean in this one. Keep up the good work =D

Pretty good book! My kid liked it, and that's all that matters, right? The writing's a bit simplistic, and doesn't really teach a lot of things, but I think that the main character is super fun. A couple of spelling mistakes and grammatical errors, but overall, really great!

Amazing just amazing. I can't say any thing else besides from AMAZING! Ã Ä Â^Â Ã Ä Â^Â

I normally sleep with my brother, so it was hard to read at night because I wanted to laugh out loud. It was hilarious!!!! (spoiler alert!) I loved how Dr. Jerkface was basically Herobrine in the early books of the series. Prepare for: Joker. That's it.

Sorry for not reviewing your book, i was busy and had my holiday. i love this series and this book is a great contineuation, a little bit of spelling mistakes but the storyline was perfect.love your books and keep it up.fromBrian koh

Omg! Another great angry alex book! (Btw, this review has spoilers.) So.... whats up with The Joker? He is so weird. Is he the magician? And how is the Wise Man in the overworld? Like always, Steve, Herobrine (basically everyone except Alex) are HUGE IDIOTS. I NEED the next book. No really, I need it to live. I love your books! But why did it come out so late? It was OVER TWO MONTHS!!! I was literally starring at my kindle wating for it.- kall20P.S. Can i be on the reviewers list please please please?

I loved this book. (Spoiler Alert) I love the part when herobrine gets really angry but then she says she knows a person that could help with the dragon egg and he became really happy. I was laughing so hard. Thnk you for making your books so great and my name is IroniC Yolo51023.
