Customer Reviews

If you or anyone you know is in search of a new job or is making a career change, this book is a must. Ms. Shannon tells you the truth about what happens to your resume when you send it out to

potential employers and how you can separate yourself from the crowd. The information in the book is clear, up to date and she walks you through the complicated process. Extremely well written and informative.

This book helped me when I was planning to apply to the CBSA Officer Trainee Program. It helped me tweak my resume and also add some extra space to my cover letter where I didn't know I needed it. When applying for a potential federal government position any hints at improvements can be worth gold.

I spoke with Donna before buying her book. She knows what the issues are and the solutions. Use this book as a reference and cover every possibility to get to work.

Donna Shannon's book, *How to Get a Job Without Going Crazy*, covers everything jobseekers need to know today to get through the screening processes used by HR departments and get their resume in front of the hiring manager quickly. Using the insider tips she learned while working in corporate HR departments Donna explains just how to prepare the very best resumes and cover letters to be considered for interview selection. I believe every job seeker should have a copy of *How to Get a Job Without Going Crazy*.

Some good tips from someone who knows, from direct experience, what she is writing about.

Great book for job seekers. If you are looking for a job, this is the book to read. All the tips you need to write a solid resume, have a successful interview, and land a job.
