10 Stylish Handbag Patterns For Crochet: A Trendy Collection Of Easy-to-make Crochet Bags

Synopsis

10 Stylish Handbag Patterns for Crochet is a trendy collection of easy-to-make crochet bags. In your busy lifestyle to have a choice of bags is essential. One handbag cannot be used for every occasion and each woman needs a selection of bags in her wardrobe. These bags use basic crochet stitches and the combinations shown will whet your appetite for more adventurous crochet bag making in the future. The patterns featured here can be made up in one or two days and they are fabulous for stash busting and getting creative with mood and color. Many of these patterns can be adapted with different color choices and yarns textures.

Customer Reviews

My girlfriend wanted to learn how to do crochets. She got this book and started practicing. After reading this book and more practice, she was able to make me a scarf and a couple of other items, like beanies and a coin purse for her niece. This book taught her everything that she needed to know to be able to make those items, from the most basic things to the more complex patterns.

This books gives you not only tools you need but also describes how to crochet different patterns and products. What I found valuable in this book was the list of tools and yarn that are needed. I bought this book for my mother who wants to learn more about crochets and how to make articles of varied designs.

This book is quite informative and has great photos for making many crochet hand bags and purses. Very nice.Highly Recommended!!

Great for beginners. Patterns are easy to read and follow. Important information about crochet hooks used in the United States.

Love it

Love all the patterns, very thorough and easy, and stylish bags. Fun for a quick project or gift :-)... thanks!

The patterns are very cute. I plan to give a couple of these a try and thanks to good pictures and easy instructions for a beginner like me . Good book. Simple and easy patterns.

These patterns are well thought out, detailed, but not fussy. I like that the finished product is lined, with sturdy bottoms and handles. I think I would add "feet" to any crocheted bag, so that the bottom was protected when on a table or the floor.
