Customer Reviews

There's no way to try all these recipes and post a timely review, so I'll remark on what I like about the book. The presentation and photos are good (even the eggplant dish looked yummy). I liked the list of Italian ingredients (specifying author recommendation) at the front-end to prepare the cook for what to look for at the market. Well done, I can't wait to try a few of the dishes- they look wonderful and simple to prepare.

Although I have only tried a few recipes, I can tell you that the recipes were delicious and easy to make. I feel that this book is the BEST and I HIGHLY recommend it. Enjoy!!!

All great favorites to do right at home

Can't wait to try some of these recipes.

Interesting book.
