Revenger

Synopsis

Winner of the 2017 Locus Award
The galaxy is filled with treasures... if you have the courage to find them. Adrana and Fura Ness are the newest crew members of the legendary Captain Rackamore's ship, using their mysterious powers as Bone Readers to find clues about their next score. But there might be more waiting for them in space than adventure and fortune: the fabled and feared Bosa Sennen, in particular. *Revenger* is a rocket-fueled tale of space pirates, buried treasure, and phantom weapons, of unspeakable hazards and single-minded heroism... and of vengeance...

Customer Reviews

"A swashbuckling thriller--Pirates of the Caribbean meets *Firefly*--that nevertheless combines the author's trademark hard SF with effective, coming-of-age characterization." •The Guardian
"Revenger is classic Reynolds--that is to say, top of the line science fiction, where characters are matched beautifully with ideas and have to find their place in a complex future. More!" •Greg Bear
