Customer Reviews

This is a very poorly written, hard to understand book that will provide little help for the person trying to learn Fijian. I don't recommend it at all

A bit less informative than I expected compared to the price I paid.

Hard to read little tiny writing. The writing is also very faint. Not a good way for you to learn Fijian.

Maybe is too simple but you can learn a lot of Fijian words (maybe 1000, more less). I like it.

the print is super small and hard to read.
