Customer Reviews

The Evangelical Sunday School Commentary is actually a series of Sunday School lessons that span a seven year period. I actually wanted to have a systematic way of doing my daily devotionals. So, I bought the commentary for the year 2006-2007 and instead of using it just on Sunday's, I read a lesson every day. So, I finished 2006-2007 in 52 days. I then ordered, the following year 2007-2008. So, I will finish the whole seven year commentary in a little over a year. I absolutely love doing my devotions this way. I have learned so much. Each lesson probably takes 15-20 minutes of reading. So, for anyone that would like to have a systematic way to study the Bible this is it. More importantly this is a Biblical based book. If you are a who does not believe that the Bible is the inspired Word of God, then you will have a difficult time with it.

good

The contents of the book is in very good shape. The cover has a worn look to it and that is why I gave it three stars. If the cover has been in better shape I would have given this product four stars and possibly five. Overall, I am pleased with the product.

This book is easy to read and understand. It's also reasonably prized and accessible. I get a copy every year from the internet well before the congregants from my local church.

This is in my collection waiting to be read. In excellent condition. No complaining here. Thank you.

Great material for Sunday School!
