Customer Reviews

We ordered this book for our 8 year old who has a recently newfound obsession for football! It's a great book highlighting not just current NFL superstars, but also features amazing NFL athletes of the past (Barry Sanders, Joe Montana, Cris Collinsworth just to name a few). I especially like that each page is highlighted with a question about what that respective player is best known for. It will be a fantastic addition to his football library!

My grandson is just getting into football, so anything football he can read is great.
