•Customer Review "We are in love with this book! [...] As an artist, I love love LOVE the art in this book, I think its not only beautiful, but perfect for children. My son spent a lot of time just studying every colorful page. We read it twice in the first sitting because he was so happy! He's not yet 1, so getting him to sit still for story time is tough, and this book was such a hit he sat through it with nothing but a big smile and lots of pointing to the stuff he liked on the pages. I highly recommend this book :) Get it get it get it!"  
•Customer Review "Written in a very simple way but with a profound message for both adults and kids."  
•Customer Review "I LOVED it. Lots of repetition to help 'lil ones get used to structure and words! Many different words being used to help them improve their vocabulary (or pick the best word!). Most importantly, it sends a good message about how being unique and different is good. I STRONGLY suggest you check this book out!"  
•ESLCarissa.blogspot.com "readers will emerge from this book feeling slightly more confident about themselves

Am I small? is the world's first World Children's Book - available for every country on earth in at least one official language.

I bought this book for my grandchild. It's a very cute book with lovely illustrations! The story is age appropriate and is wonderful for the bilingual family. Ek het hierdie boek vir my kleinkind. Dit is 'n baie oulike boek met pragtige illustrasies! Die storie is van pas en is wonderlik vir die tweetalige gesin.

I love this book. I buy it for all of my bilingual loved ones with children. They make great baby shower gifts.

Love it! My husband reads to our son In Afrikaans, while I read to him in English.

I bought it for a friend who wants to learn some Afrikaans. He got quite the kick out of it. Very cute.

Not much of a story to this book. Kept my daughter entertained for about 10 mins and then she was over it. The visuals has a lot of potential though.
