Smokey From The Block Cat Coloring Book With A Cause: The Coloring Saga Of A Feral Kitty In New York City

Synopsis

Based on a True Rescue Story. Raising Funds for Ferals! Roamin' Smokey from the Block, a New York City tomcat with grey good looks and curbed appeal, is always on the lookout for love, trouble and a nosh. He finds all three and more when he encounters his fine-lined lady friend, Mamacita, his fiercest rival, Daddy-o Buck, and a feral cat caretaker named Chiara. Smokey's true saga unfolds to draw colorist-readers into the everyday lives, relationships and perils of urban cats in a managed colony. The adult cats are trapped, spayed/neutered and returned (TNRd) by Chi to put a cap on kittens and unneighborly behaviors. Mamacita, Smokey and Daddy-o all settle down without mating on their minds, but still defend their home against marauders. Smokey's epic adventure begins when the injured cat escapes from a carrier into greater danger in midtown Manhattan. He eludes rescuers for days, encounters loose dogs and is ultimately rescued by a heroic stranger. The story ends happily with Smokey's adaptation to life as an indoor cat, just a block away from his former managed colony. Smokey's saga unfolds over 27 eloquently illustrated sequential pages that also showcase NYC architecture, culture, fashion, humanity and humor. The drawings are supplemented by a Welcome page, Captions and an Message from Smokey's Cause Partner that encourages interested readers to become caretakers for community cats, and directs them to animal welfare websites to learn more. The NYC Feral Cat Initiative, a program of the Mayor's Alliance for New York City's Animals will receive a portion of the profits.

Previously an advertising principal and a Buddhist nun, Laura King now lives in NYC. She finds it's a perfect place to practice mindfulness amid mayhem, and put compassion for people and animals into action. To pay for her over-priced apartment and street kitty rescue passion, she works as an independent writer and etc. Laura's jumbo handbag is required of every able urbanite and always contains a can of cat food and a generally ineffective lint brush. "Not to worry. Black with Feral Cat Hair is actually the coolest of New York chic," she shrugs.

This coloring book is a must for coloring enthusiasts and animal lovers, it is fantastic! It is so much more than just a beautifully illustrated coloring book, it includes the wonderfully written true story of Smokey the streetwise feral and how his life is saved and changed forever by a community of cat carers. It also features a sweet little flip animation on the reverse of the pages. To top all that off by purchasing this book you will be helping other cats yet to be as fortunate as Smokey. The purrfect gift for the cat lover in your life and destined to be a classic!

This is a terrific coloring book, great for cat lovers, especially urban-minded ones. Most coloring books don't come with stories, but this one does! And it's delightful! It's very much a New York City book, and I love that proceeds go to a good cause. The book is beautifully presented and the illustrations are well-done. Very easy to color in with smooth lines. I think it's suitable for all ages, too.

What a wonder way to help cats in need. I'd been following Smokey's story online and now look forward to personalizing it with this coloring book!

Excellent cause and story about TNR. Wish each page had the captions on the bottom since the single page of captions are hard to read.

This coloring book is for a friend of mine who will be down with knee surgery. She is involved in feral cat rescue, so it is perfect. The illustrations are wonderful...different and unique. The price is perfect and it goes for a good cause.

I bought the coloring books to give them away as presents. Everyone loved the coloring book! The

details are so well done, and adults as well as the children who received the Smokey from the Block book are having fun with their book.

I was amazed at the clever subject matter, and even more impressed with the artistic talent of the illustrator. His talent is awesome. I hope they are going to come out with more of these books, perhaps one on dogs next.

Love Smokey's Story. Fun to color.
