Customer Reviews

A guide to the downhill skiing at Jackson Hole Ski Resort, Wyoming.

I really enjoyed this guidebook. I purchased it for the nostalgic value having lived in Jackson in the 70's and 80's and also having spent close to 1,000 days on the mountain during that time. It would be a good resource for a skier who did not have a great deal of experience skiing at the area.

Very useful book, details lots of runs in Jackson Hole that are not on the piste map. Explains difficulty of each run very well. Small enough to carry with you in a ski jacket pocket.
