Coming soon...Coming soon . . .Coming soon . . .

This CD was overhyped. At a mere 1 3/4 hours it contained mildly interesting stories, but certainly

nothing that compelled me to sit in my driveway and listen to it. It's just okay.

I was expecting more - more and better stories. I did enjoy the interview with Ted Williams - to me he sounded just like John Wayne.

Awesome stories!!!

Off-the-beaten-path baseball stories and anecdotes that I enjoyed listening to while driving. Some humor and some inspiration and some silliness.

If you love both NPR and baseball, you'll love these stories! Lives up to the promise of "driveway moments" - stories that you just can't turn off!

We listened to these stories on a long road trip. Stories were so enjoyable, educational and some humorous. Would make a nice gift for a baseball fan.

Great stories, well worth the money if you only listen once.

It was gift to my sister and she LOVED it.
