Synopsis

You've got front-row seats to the cutest revue in town – hop on down to The Bunny Rabbit Show! The latest addition to Sandra Boynton's phenomenal bestselling Boynton on Board series, this book stars a cast of high-kicking bunnies performing in perfect unison to a lively song all about . . . them. We are ten terrific rabbits And we like to dance and sing. Ten terrific rabbits. We can do most anything. Bunnies are very welcoming, so everyone (Boynton's pigs, sheep, chickens, and YOU) can come join the chorus line – bunny ears mandatory, of course. Available for download will be an exuberant original song by Sandra Boynton and Mike Ford.

Sandra Boynton is a popular American cartoonist, writer, and songwriter. Since 1974, Boynton has written and illustrated over fifty children's books and seven general audience books, including five New York Times bestsellers. More than 60 million of her books have been sold – “mostly to friends and family,” she says. She has also written and produced five albums of award-winning children's music. Three of her albums have been certified Gold, and Philadelphia Chickens, nominated for a Grammy, has gone Platinum. She lives with her family on a farm in New England.

This book is totally hilarious; I, at 45, was cracking-up when I first read it. My daughter, 2, loves bunnies, so that is why I got it. I have read about 9 Boynton books, and this is my favorite, slightly above "The going-to-bed book," another one I highly recommend.

I love Boynton books. We have about a dozen now for our baby. This one is still good, but not as good as the others (e.g. Going to Bed Book, and Hippos Go Berserk). It may be because of the need to sing it as oppose to read, which make it feel like you are rushing through it, and I like to read somewhat slowly to our baby.

My kids love this way to much! The song is contagious and they would sing it for hours after we read it... which is why we read it before bed time.

My daughter adores this book. So cute. we read at bedtime and she props her feet up on my arm and snuggles in. Love this book. Great memories.

My grandchildren love all books by Susan Boynton and this one does not disappoint! Adorable characters and sturdy books last through many little hands and storytelling sessions. A great buy!

I am a huge fan of Sandra Boynton books and am always looking for ones to add to our collection. This book does not disappoint. My children love the song and love that we could download it and play it on the computer when they want. I love singing it to them instead of reading and it has been become a daily read in our home!

I love Sandra Boynton books. LOVE LOVE LOVE! You can read Bunny Rabbit Show, you can sing it...you can dance to it! It is just absolutely adorable in general. My baby has loved every single book by Sandra Boynton. She often stops me in the middle of reading them to give me a big grin before she lets me continue on. This would make a great gift and as a parent, I don't get tired of reading the Bunny Rabbit Show! It's fun for both of us and really promotes bonding time.

I love all of her books, and this one doesn't disappoint. My 8 month old twins were enthralled with the rhythm and syncopation, and I don't even know the music! You can download the song version, but it's just as much fun to make it up.
