Great book! Great information, just enough in depth to figure out what you really want to do and where to do it!

Good layout and content. Many options for different budgets and tastes. Also love the side trips section, including Iguazu Falls and Uruguay.

Very informative book. Small and practical with plenty resources including vegetarian restaurants. Used it a lot in our recent trip to Buenos Aires.

Went to Buenos Aires and surrounding area for Thanksgiving last year, Fodor's Buenos Aires: With Side Trips to Gaucho Country, Iguazu was a great infomative guide

Somewhat confusing descriptions. But useful. Could have done better.
