The Big Book Of Presidents: From George Washington To Barack Obama

Synopsis

The president has been the figurehead of the United States since the time when our country was a small band of thirteen fledgling colonies until its current position as a world superpower. The forty-four leaders of our nation have had fascinating, exciting, and sometimes scandalous lives. The Big Book of Presidents illustrates each president's journey to the White House through facts, anecdotes, illustrations, photographs, inspirational quotes, and more! Find out which president had a faithful dog named Fala, who was the only unmarried president, and which president's daughter carried around her pet snake in the White House in this fun and fascinating overview of our country's leaders. Bestselling author Nancy J. Hajeski not only provides engaging information about each president, but also includes timelines of US and world events that place each president's term in office in a historical context. She also provides useful facts about the White House, Congress, the Supreme Court, presidential assassinations, the first ladies, the vice presidents, and more to help broaden kids' understanding of our government and the president's role within it. With updated information on President Barack Obama, this is the perfect introduction to the lives and characters of the US presidents.

Customer Reviews

Felt like I needed a quick brush-up on my history, easy to read and informative

Bought this for my kids, excellent book, easy to read and understand,

I did not personally see this book, I purchased it for my great-nephew for his 5th birthday. My brother said it was a big hit and they were reading it to him the day he received it.

Very nice

Wonderful

VERY INTERESTING RATED AGES 9-12 GOOD FOR ADULTS AS WELL

Great overview of our presidents. Did not go into great depth thought. Incorrect dates toward the end. Overall a good summary.

Book for my intellectually disabled sister who loves the Presidents! She was very happy!
