Concerto In B Minor Op. 61: With Separate Violin Part (Dover Chamber Music Scores)

Synopsis

One of the most beloved pieces in the modern violin repertoire, the Concerto in B Minor is among Edward Elgar's longest orchestral compositions and one of the last of his works to achieve and retain popular success. This practice and performance edition contains a piano reduction and a separate violin part. Famed violinist Fritz Kreisler pronounced Elgar the greatest living composer, placing him "on an equal footing with my idols, Beethoven and Brahms. He is of the same aristocratic family. His invention, his orchestration, his harmony, his grandeur—it is wonderful. I wish Elgar would write something for the violin." A commission from the Royal Philharmonic Society helped fulfill Kreisler's wish, and the violinist performed the Concerto in B Minor at its 1910 debut, with Elgar conducting the London Symphony Orchestra.

Book Information

Series: Dover Chamber Music Scores

Paperback: 96 pages

Customer Reviews

English composer Edward Elgar (1857–1934) was appointed Master of the King's Musick in 1924.

Regular size and nice printing. There is not too much editing in this. It's just an okay copy of the concerto.
