The Smallest Girl In The Smallest Grade

Synopsis

Hardly anyone noticed young Sally McCabe. She was the smallest girl in the smallest grade. But Sally notices everything—from the twenty-seven keys on the janitor's ring to the bullying happening on the playground. One day, Sally has had enough and decides to make herself heard. And when she takes a chance and stands up to the bullies, she finds that one small girl can make a big difference. Grammy-nominated children's musician Justin Roberts, together with vibrant artwork from award-winning illustrator Christian Robinson, will have readers cheering for young Sally McCabe.

Customer Reviews

Praise for *The Smallest Girl in the Smallest Grade*: "This effective rhyming book by kiddie-rock star Roberts takes on the subjects of bullying, teasing, and excluding others. This is a serious topic given serious treatment, and it should be ideal for initiating discussions." —Booklist

Grammy-nominated Justin Roberts is an all-star of the family music scene. Hailed by the New York Times as "the Judy Blume of kiddie rock," he logs thousands of miles on the road

each year, dishing out unexpectedly intelligent and fun rocking music for kids and their parents. Justin lives in Illinois. Visit Justin at www.justinrobertsmusic.com.
Christian Robinson is an illustrator of picture books living and working in San Francisco. He studied at the California Institute of the Arts. He has worked with Pixar Animation Studios, The Sesame Street Workshop, and Jib Jab. Visit Christian at www.theartoffun.com.

My kids love this book, we read it a few times every week and always have good discussions about what they see in their school.

A beautifully written story with a powerful message. It is simple enough for children to understand, and eloquent enough to delight adults. I was so delighted that I bought 4 additional copies! The illustrations are wonderful, too. Just a beautiful, beautiful book!

cute book!

GREAT book!

This is a really sweet book with lovely illustrations. My 1.5 year old son will sometimes even sit through the whole thing! I bought this book after really enjoying Christian Robinson's illustrations in Last Stop on Market Street.

I sat down to read this book with my boys (3 and 5). What started out as a cozy reading time turned into a fantastic talk about things my oldest has seen on the playground at school. He just started Kindergarten. Thank you for giving us the perfect launch into a conversation about looking out for one another and making sure others are feeling safe. The story has a great rhythm to it - my boys loved it!

Used this book at the start of kindergarten to pump up my little one and teach her about kindness. I love anything Justin Roberts dreams up! He writes about childhood the way I remember it!

Beautiful illustrations. The book also shows that one little person can make a big difference. And, that the people who you least expect to say something, can and will very successfully. Never underestimate the underdog :)
