Norman Bridwell is the author and illustrator of numerous children's books, including the beloved Clifford series, which has over 126 million copies in print, in 13 languages! He lives in Edgartown, MA with his wife Norma. They have two children, son, Tim, and daughter, Emily Elizabeth.

My daughter is bilingual and I am always looking for good books to read to her. I get very disappointed in the lack of creativity in this book, I mean anyone could write it, there is no intention to teach a good principle of value in the book, it just so plain. A book should motivate a kid to be better, to be creative, to feel good about life. I am not going to buy another Clifford or Curious

George book. There are other truly beautiful in look and in content books out there.

good story. we have the large clifford book & this one was a great addition. the story was well written & keeps my 3 yr old entertained.

For my Spanish students, thanks!

Very good little book

nice book!

Bought this Spanish book for my 3 year old daughter. It's a great story if your child has a dog or any other pet. We read to her in Spanish every evening and she loves it. The pictures are big and bright, and she enjoys them.

Great book, love that the print is large and the color in the pages are vibrant.

My god son loved it! I loved the fact they had this book in Spanish so my mother could read to him.
