P. D. Eastman was one of the stars of the Beginner Books line with beloved classics like Are You My Mother?; Go, Dog. Go!; The Best Nest; and more!From the Non-traditional book edition.

This is just what I wanted. A board book for my toddler. It's short and simple so the attention doesn't wander off.I love the Spanish version as I'm trying to teach both English and Spanish to my kids. Simple words they can repeat and say easily.It is smaller than I thought but great for little hands and for packing in a diaper bag.Bright colors and lots of drawings.I'm very happy with it!

I loved reading this book to my kids when they were little 25 years ago and I love giving this as a present now!

very funny the children love this book

I did not realize it is not the whole book. It is missing parts of the book.

Buen libro

Los dibujos son muy lindos, el estilo es divertido y moderno para el mundo infantil. El texto tambien es bueno pero para nuestro estilo es demasiado corto, le falta un poco de extensiÃ³n para lograr mantener la atenciÃ³n de nuestro niÃ±o.

Great for reviewing commands with my students---and teaching them some action verbs!

Perfecto para los principiantes del idioma:-)
