Bel Ami Rebels

Synopsis

The best-selling photo book with the hottest Bel Ami boys by star photographer Joan Crisol now as softcover edition. The stars of the European adult entertainment studio Bel Ami usually look a little more like Love Me Tender than Rebel Yell. ã ã–The new softcover edition of the photo book by Spanish celebrity photographer Joan Crisol is proof that they can switch modes at any time. He portrays the handsome boys in bold poses and puts the spotlight on their wild side. ã ã–The resulting works are extremely hot and absolutely convincing. With aplomb and appeal, these ever-so-sweet guys show that they have plenty of raw and rampant energy in them after all.

Customer Reviews

"Leave it to Bruno Gmãfã nder Verlag to one-up themselves. The Bel Ami Boys have long been the favorite young, fresh breath of innocence that has attracted legions of followers of the male form, but instead of innocence personified, photographic artists Joan Crisol has taken these lads aside, given them props and gear and suggestions for activity and what happens in the look of innocence is a well-hidden disguise for these naughty but fun excursions. As one man evaluating this collection has said, `Packed with both erections and muscles, this Querelle-inspired photo collection is pure sex - beautifully photographed sex. The photo stylist Abraham Gutierrez styled the Bel Ami models to look 'Tom of Finland' but in many of these images it's not the styling one sees. The models are Kris Evans, Dolph Lambert, Ariel Vanean, the Peters Twins, Todd Rosset, Julien Hussey, Dario Dolce, Vadim Farrell, Harris Hilton and Luke Hamill. The aspect that makes this

collection unique is the role-play tenor of the book - pretty young boys acting like wild and dangerous provocateurs. It works well." (Grady Harp)
