Customer Reviews

My husband and I are planning a trip to Normandy this summer, and the first thing I did was order the Blue Guide. We like to hit all the well known spots wherever we go, but the real fun for us lies in delving deeper, and there's no better resource for doing that. There are no photos, which some travelers consider a drawback, but I use the internet for that. The most thorough guide on the market today, whatever the location. Highly recommended.
