Joy Hakim, a former teacher, editor, and writer won the prestigious James Michener Prize for her series, *A History of US*, which has sold over 4 million copies nationwide. A graduate of Smith College and Goucher College she spent years teaching students from elementary school up to the college level. I got this to go with the textbook for homeschooling, and I'm glad I did. There are not too many questions for the lessons, and I use the questions to generate critical thinking discussions. I'm glad I got the book, and also recommend the Teaching Guide. I'm a big fan of the textbook series.
