Italian Wine Unplugged Grape By Grape: Beta Version

Synopsis

"According to Monty Waldinâ™s erudite foreword, Italy possesses 590 grape varieties planted across more than 500 different areas. Impossible to learn about all this? Not now this wonderful E-book, master-minded by Stevie Kim and Ian Dâ™Agata, is available on your screens. The Romans called Italy â™Enotria - The Land of Wineâ™ and here it all is." (Steven Spurrier, wine expert and author at Decanter)"Amazingly in-depth Italian wine information displayed simply and elegantly" (Madeline Puckette, co-founder Wine Folly)âœitalian Wine Unplugged is the most enjoyable way to learn about wine aside from actually drinking it. Stevie Kim, grande dame of all things vino, has crafted the ultimate comprehensive and easy-to-use guide on Italian wine." (Joe Bastianich, restaurateur, wine and food writer, TV personality)"Italy is one of the most fascinating wine countries in the world, but many people, including top wine professionals, are still confused about the plethora of indigenous grapes that make Italian wine so special. Italian Wine Unplugged: Grape by Grape finally brings these grapes into the light in a way everyone can understand. It's a must read for anyone who loves the wines of Italy." (Adam Teeter, co-founder Vine Pair)Compiled by a team of Italian wine experts and educators, Italian Wine Unplugged Grape by Grape is a concise yet comprehensive cultural and scientific introduction to Italian wine and its native grapes. The ebook analyzes over 430 Italian native grape varieties in accessible and easy-to-remember entries. Designed to offer the contemporary wine lover a new reading experience, it includes an extensive visual apparatus featuring color-coded grape variety flash-cards, mind maps, photographs of grape bunches, maps of Italian wine appellations. The ebook provides introductory chapters that offer essential historical, cultural, geographical and scientific information necessary to understand the richness and complexity of Italian grapes and their wines. It is also a schematic reference tool that will help readers and students of Italian wine put some order in the seemingly chaotic world of Italian grape varieties.Ebook website: <http://www.italianwineunplugged.com/>

Customer Reviews

Great ebook about the Universe of Italian Wine. With such a huge diversity Italy is second to none in offering incredibly rich and diverse regional wine culture and unique varietals. Having a clear and immediate reference to navigate through almost all the Italian native grapes (590 !!), wines and regions makes this e-book a fantastic tool. I particularly enjoy having it on my iPhone while I am at restaurants or wine stores when I want to know something more about a specific and rare Italian grape varietal used in some of the wines I am looking to buy or drink. For the price is something every wine lover and sommelier should always have with him.
