help you learn quickly and easily at home or on the road. From basic greetings and expressions to grammar and conversations, you'll grasp the essentials and start communicating right away! Plus, you can follow along with the handy 96-page portable guide ; filled with the words and phrases you'll hear on the CDs, plus a mini dictionary. Edward Swick has been a foreign language instructor for more than 30 years. He works on German and ESL instructional materials. Discover how to: Handle greetings and introductions Ask questions and understand answers Build your vocabulary Talk about numbers, time, and the calendar Ask for directions Get help at a hotel, the bank, or a store Skip around and learn at your own pace CD 1: Get started with basic words and phrases. CD 2: Form sentences and practice parts of speech. CD 3: Handle real-world situations.

Not as easy as I thought it would be. I wanted to learn as I drive a lot, but I found it necessary to follow along in the book in order to understand the German translation and I couldn't do that while driving..

My granddaughter will be deployed next winter to Germany. I bought this book for her to learn some their language.

Love this set so much since I found it at our local library, kept renewing it, so when I found it for \$10 I had to have it. Great to listen to in the car.

Basic overview of conversational German. Good for "in the car" use.

This seems to be aimed more at someone working there or going for business than for a traveler on vacation. I would prefer a product that just focused on what I need as a tourist. I don't need to ask someone "where is the meeting?" for example. It is also not an easy language with the single or plural and the feminine or masculine so I will write down certain ones I want to learn, expand on that, and then listen to the CDs in my car to pick up the pronunciations etc. better.

A little too fast paced for me.

This is an ok product, but it's not really for beginners. There is no pronunciation guide, and it's just listen and repeat, but sometimes you can't understand the person speaking. It would be good for a

brush up course, but theres too much info you dont need for simple conversation.

Doesn't fit with my German class at all. Some of the words are different and it doesn't give you any sentence structures. Unless you thin you can learn German off vocabulary alone its best as a supplement to a class.
