The Most Reverend Bishop Frederick Justus Knecht, D.D., was the late auxiliary bishop of Freiburg, Germany in the early 1900s. His massive work, A Practical Commentary on Holy Scripture, was published in 1923 by the Publisher to the Holy Apostolic See. A considerable number of bishops and archbishops thoroughly enjoyed and recommended the book, calling it "admirable" and "excellent". It was originally titled A Practical Commentary on Holy Scripture for the Use of Those Who Teach Bible History, and was given the Imprimatur by Doctor Mutz, Vicar General, in 1923.

I'm not crazy about this book. It's not bad for perhaps adults to refresh their memories of biblical stories, but I found the the stories to be very dry and the language too obscure/archaic for children. For example, "Cain became a husbandman, Abel a shepherd." Husbandman? Why can't it just say

"farmer" or even "tiller of the earth"? I just bought the New Catholic Picture Bible and am very happy with it. Not only is it beautifully illustrated, but the writing of the stories is much more eloquent and engaging than Child's Bible History.

Highly recommend; helpful to both children and adults. Easy to read. Effective teaching tool. Good resource for all who seek explanations for children.

This was a disappointment. It is more of a Pamphlet than a book and leaves out crucial details
