ISBN-13: 978-0898866988

Product Dimensions: 8.3 x 5.3 x 0.6 inches

Shipping Weight: 10.4 ounces

Average Customer Review: 4.3 out of 5 stars 17 customer reviews

Best Sellers Rank: #906,843 in Books (See Top 100 in Books) #68 in [Books > Sports & Outdoors > Individual Sports > Cycling > Mountain Biking](#) #266 in [Books > Sports & Outdoors > Individual Sports > Cycling > Excursion Guides](#) #335 in [Books > Travel > Mexico > General](#)

Customer Reviews

I picked up this book, as well as *Dividing the Great*, because I'm planning to ride the Great Divide route a little later this year. The book does a nice job, breaking down the daily mileage, and locations of camping and scenic stops, based on the maps provided by the Adventure Cycling Association. Together, they'll make for a great resource. The only thing I would suggest be changed, are a little more detailed description of alternate routes, but maybe those are easier to "see" once out on the trail. Good read. Good information.

black and white photos. maps are the routes they took not actually the continental divide.

Reading this book has rekindled my interest in doing the Great Divide. It's informative and I like the maps - they give a different, more condensed view. However, everyone who has done the ride and posted says you should definitely buy the ACA maps - not just rely on this book. I also bought it for my Kindle, which I will be bringing anyway. That way I can also bring this book without the weight. The maps are pretty small on the Kindle version. My eyes aren't that good. (Should I bring a magnifying glass?)

Good read before the ride. great for making notes. I rode south to north and this helped me with the Maps from adventure cycling.

This looks like an excellent book to get a really good idea of what this great adventure entails. I will take it with me when I undertake this adventure. The book provides a lot of information concerning alternative routes and side shows. It will also be invaluable as an aide memoir when making preparations. Of great importance, it has been recently updated.

Very helpful for those of us planning the ride!

Very informative.

Seem a little dated but the information it contains i feel is still relevant and worth the spend and it not all about racing the Great Divide
