## Customer Reviews

SR: Street Grimoire

The book is great, the sellers not so much. I've tried ordering a hardcover copy twice, and both times it has been a softcover, despite the description saying hardcover. The last time it happened the store I purchased it from did not respond to my request for an exchange, either positively or negatively. Be wary of the sellers.

A must have for any GM or player with magicians in their 5th edition campaign.

My brother loved the book. It was exactly what he wanted.

A+
