Barcelona: The Ultimate Barcelona Travel Guide By A Traveler For A Traveler: The Best Travel Tips: Where To Go, What To See And Much More

Synopsis

Congratulations! You've Found The Ultimate Travel Guide To Barcelona. Why You Need Lost Travelers First, we would like to thank you for considering Lost Travelers as your guide book. Allow us to explain our beginnings and the reason we created Lost Travelers. Lost Travelers was created due to one simple problem that other guides on the market did not solve; loss of time. Considering it's the 21st century and everything is available online, why do we still purchase guidebooks? To save us time! That's right. Since the goal is to be efficient and save time, we did not understand why there are several guidebooks on the market that are of 500 to 1000 page long. We do not believe one needs that much bluff to get an overview of the location and some remarkable suggestions. Considering many guidebooks on the market are filled with "suggestions" that were sponsored for, we have decided to take a different approach and provide our travelers with an honest opinion and decline any sort of sponsorship. This simply allows us to cut off any nonsense and create our guides the Lost Travelers style. Our mission is simple; to create an easy to follow guide book that outlines the best of activities to do in our limited time at the destination. This easily saves you your most valuable asset; your time. You no longer need to spend hours looking through a massive book or spend hours searching for information on the internet as we have completed the whole process for you. The best part is we provide you our e-guides for one-third the price of the leading brand, and our paper copy for only half the price. "The World Is A Book And Those Who Do Not Travel Only Read One Page" - St. Augustine Thanks again for considering us, we hope you enjoy! Customer Reviews

I have to say I am impressed by how specific and informative this book is. It has everything you need to know to have an amazing trip to Barcelona. Best time of the year to go to barcelona, places to go, things to do, expected price ranges for different products and services, transportation, accommodation, and much more. Trust me, if you've never been to Barcelona and you're planning on going, then this book is for you. Super helpful book!

Really useful: a lot of useful informations for getting around the city and enjoy it by tourists. We opted for travel by car also given the detailed explanation of how to move inside Barcelona. I would have preferred an organized trip by bus, but my husband prefers the DIY style... :(Thank you for the helpful info! I hope to return soon to review once more the Casa Mila, which is fantastic! I encourage the author to be a little more descriptive: by your guide distances are not so understandable.
Recommended!

Good useful information, but I was hoping for a couple of maps. That was the reason for buying the book to carry with me on my trip.

Not detailed at all...very basic information and not very much of it.

Average guide book.
