Customer Reviews

Most guides will give you information for the most visited tourist spots. Lee and Betty take you to many less visited sites which help to define what Hawai'i is to the islanders. Unfortunately, I did NOT go to Hawai'i when they were leading tours there; but AM fortunate enough to count them among my friends and so was treated to a one-day tour when my wife and I visited Kona on the Big Island. That day was the highlight of our trip to Hawai'i. Reading this book recalls a number of the locations we visited (Kamehameha I Birth Site, Pololu Valley, etc.) and see many more we wish we had gone to with them or at least in spirit with this guide.D/I it to your Kindle and let Lee take you on a trip of a lifetime!Aloha!
