Haunted Texas: Famous Phantoms, Sinister Sites, And Lingering Legends

Synopsis

Texas history buffs and travelers have an eerie need for this book, which offers an unusual twist to seeing the "sights" in the Lone Star state. Organized by region—Gulf Coast, Rio Grande Valley, South Texas, Central Texas, North Texas, and West Texas—this book is the complete guide for both hardcore ghost hunters and more earthly tourists seeking to add some spirited fun to their travels. Complete practical information on non-haunted accommodations, attractions, and restaurants are also included, making this the only guide your Texan spirit will need. Scott Williams, who lives in Corpus Christi, is a journalist and the author also of *The Insiders' Guide to Corpus Christi*.

Customer Reviews

Scott Williams is the co-author of *The Insiders' Guide to Corpus Christi*. He is a full-time freelance writer who has spent the past two decades as a reporter and writer for newspapers, magazines, Web sites, and book publishers. He lives in Corpus Christi, Texas. Donna Ingham is a Texas author and storyteller and lives in Spicewood, just west of Austin. She has written five other books about the Lone Star State and continues to collect tales both true and tall. Her website is www.donnaingham.com.

Mostly fluff with little substance. Not at all what the title would lead you to believe. There's many

pages devoted to places to go that aren't haunted and have no legends attached to them. Frankly, I have a very large collection of paranormal books and thought that this would make a worthy addition to my library. It doesn't.
