Customer Reviews

A wonderful guide for "the perplexed". Full of games for children but also good info for adults.

The information gave me a good understanding of the different Jewish holidays. Not being raised in the Jewish faith, but working more with those that have, the information has given me more understanding of the people I work with. I feel I can be more considerate of my friends or soon to be friends.

Great book, good for kids to learn about holidays

Very traditional, fairly easy to follow text, good for teaching basics.

Easy read. Easy terms. Well written. Must buy. If you are converting or learning, you'll enjoy it just the same.
