Customer Reviews

On the heels of the conversations happening as a result of the We Need Diverse Books movement, acquiring quality LGBTQ titles for young adult collections is more important than ever. Enter *Top 250 LGBTQ Books for Teens*, in which even dedicated fans of LGBTQ teen titles will find new favorites to enjoy and classic selections to explore. Here, one can peruse an exhaustive collection of the best fiction, nonfiction, and graphic novels this niche has to offer. Each title is painstakingly annotated and given equal space within. Books are arranged by author, though the coding system is slightly awkward; readers may have been better served by separate sections for each genre. In addition, a section of professional resources for teachers, librarians, and counselors is included. This title is current through 2013 and includes Sara Farizan's Lambda Award-winning *If You Could*

be Mine (Algonquin, 2013). Only a few 2014 titles appear and the two most recent and significant Printz Award and Honor titles, Jandy Nelson's I'll Give You the Sun (2014) and Andrew Smith's Grasshopper Jungle (2014, both Penguin), both of which prominently feature queer protagonists, are missing. Despite its excellent attention to detail and clear celebration of LGBTQ literature, it's sadly a book that will be dated rapidly as new titles hit the market. VERDICT An additional purchase, best used for backlist collection development. —Ingrid Abrams, Brooklyn Public Library, NY

"This updated and expanded second edition of Cart's already lively and comprehensive history of young adult literature (1996) is an essential resource. . . . Highly accessible and thorough, the text is a staple for any study of the canon. Students and newcomers to the conversation will appreciate Cart's experience and insight. And, once again, the books he mentions as examples will send readers straight to the shelves." --"School Library Journal"
