Loresmen: The Peleg Chronicles, Book Three (Volume 3)

Synopsis

In the third book of the Peleg Chronicles, Loresmen weaves the heroes of Hradcanny into a tapestry of danger, hope, and providence. They are pursued by their enemies in a society that increasingly departs from truth as it falls away from the one true God. They must defend their faith before the high counselor, tread carefully at the King's table, wield their weapons bravely in the arena, and fight against giants, evil priests, and dragons. These great heroes take up the sword as guardians and protectors, yet trust not in their weapons, but in the King of Kings who is their constant help in trouble. Through underground passages and along Hradcanny's rooftop sky-road, in the wilderness and upon the sea, the battle for God's Word in the hearts and souls of men rages on. Our heroes, the keepers of God's word, His loresmen, must continue in faith, strengthened by the testimonies of the brethren before them, and by the witness that they shall leave behind.

This book has become a treasured ending to a wonderful series. I have read these books aloud to my nine-year-old daughter and we have treasured them! They are hard to read for a nine-year-old alone but the moments together are treasured for both of us. The character development is exceptional and the introduction of new words is wonderful as well. The Godly themes throughout the books are wonderful and I was so thrilled at the discussions that it brought between my daughter and I! The ending was wonderful and very appropriate for the age group. You are a blessed writer

and I am so happy to have discovered your series. Thank you, and God bless you!

These books are exciting, suspenseful, well written and chock full of applicable life lessons. I bought them to read with my 2nd and 4th graders but both the story line and the language was too advanced for them to follow. I would put them at more junior high or even high school reading level. However, I really enjoyed them myself! You really have to read the entire trilogy, as the first two books end with any resolution, leaving you wondering what's going to happen next

We loved the concluding book of the Peleg Chronicles - but are sad that our journey has come to an end. On request from my nine year-old daughter we have started again from book one and are re-reading the series - this time with a greater appreciation of the characters that we have come to know so well. I hear that Matt is working on another series, with different characters - we can't wait!

After reading the three Peleg Chronicles and watching my 17 & 12 year old sons do the same, I enthusiastically recommend these books to others. Though fictional, they are grounded in the best historical framework possible, the true history of the world, the Word of God. These books have motivated me, and I trust my sons too, to think biblically about everything in my life and to bring every daily challenge to God in prayer. Thanks so much Matthew for sharing these stories with us. God bless you!!

This was a very good ending to the trilogy. I enjoyed it immensely. If you've read the first two books of the series you'll want to read this one as well.

I seek more book series just like this one for it lifted my spirit. Helped me to keep all focus on Gods mysteries and truths while enjoying a good yarn without getting caught up in a fantasy. Thank You Brother.

Thank you again!...Reading them was thrilling, all the way through all three books...I couldn't put them down...These are definately "keepers"...Great work!*

Wonderfully written exciting adventure that our whole family enjoyed! We like all 3 books very much!!
