Synopsis

The seamless articulation of vocabulary, grammar, activities and cultural content is what makes ENTRE AMIS so effective in the classroom! ENTRE AMIS is a performance-oriented program designed to expand students' interpersonal, interpretive, and presentational communicative skills by presenting and rehearsing situations similar to those they will encounter in real life. Based on a progressive approach, ENTRE AMIS features thorough coverage of all four-language skills with a strong emphasis on oral communication. The language presented and practiced is always embedded in a French cultural context. The Sixth Edition of ENTRE AMIS has been thoroughly updated and now incorporates the latest technology offerings, including the iLrn Heinle Learning Center.

Michael Oates of late was a professor of French at the University of Northern Iowa from 1967 to 2003. He received his Ph.D. in French from Georgetown University and was certified as an ACTFL Oral Proficiency Tester in French. In 1989, he won the ACTFL Nelson Brooks Award for Excellence in the Teaching of Culture. He is a Chevalier dans l'Ordre des Palmes Academiques. Larbi Oukada, a native of Casablanca, Morocco, is the chair of the Department of Modern Languages and Cultures at Georgia College. Professor Oukada received a Ph.D. in linguistics from Louisiana State University. His research and publications have focused on French phonology, methods of teaching

second languages, and the notion of curricular responsiveness. Professor Oukada coauthored with the late Mike Oates of Iowa a first-year French program entitled ENTRE AMIS, now in its sixth edition and adopted by over 350 colleges and universities. He is also the lead author of CONTROVERSES, now in its third edition.

This book serves its purpose, however it requires a code to use which it did not come with. I think the seller should state that.

School

I used this book during my fall semester learning French. It's definitely a short book and easy to understand and learn. It's the basic guide to learning and it gives a lot of good examples to follow.

Great book. I used it for my french 1 class. I'm not sure if I'll be needing this in french 2 but we'll see. **WARNING!** This book does not come with an access code. You'd have to buy it separately. Found out the hard way. But either way. You will save renting this book and buying the access code!

I bought this ebook for my wife as she is doing a french course, and it is very helpful. But there's is one problem; the following pages are blank: 99-138, 259-278, 459-478, which renders it unusable....

Came on time and was easy to return my rental as always. Great introduction to French, our professor literally taught us by using this book page-by-page. Great references in the back and good online resources from this company if your professor is willing to use them.

It's the correct book. I'm not sure how excited you should be about that.

Does not come with access code (which is not stated in the description)
