# A Short History Of The Movies (11th Edition)

## **Synopsis**

The eleventhÂ Â edition of A Short History of the Movies continues its long-standing tradition of scrupulously accurate details, up-to-date information, and jargon-free writing style that has made it the most widely adopted film history textbook.Â Â This edition offers students a panoramic overview of the worldwide development of film. From the early experiments with motion photography, through the American studio years of the 1930â€¢s and 1940â€¢s, from Neorealism and the New Wave, up to the present age of digital cinema, A Short History of Film provides a comprehensive presentation of the history of cinema. This eleventh edition has been revised and updated to include current scholarship, recent industry developments, and new films and filmmakers.

This eleventh edition has been revised and updated to include current scholarship, recent industry developments, and new films and filmmakers.

Very comprehensive and detailed look at the history of film and it's growth and development over the years. Can't believe the cost of the book, though!

This book was required for my History of Film class but I think I'll be keeping it for myself instead of returning it. It's full of short, concise descriptions of some of the important points in film starting at the beginning. I've referenced it in every paper I've written for the class, must buy.

Good

This book helped me in a college class, it was not the book recommended for the class I was in but it proved to be useful.

I really like this book. It's a lot of text but it's not dense like your typical textbook. For the price I purchased, real great. From what I hear the 9-11th edition are all very similar and this one was the cheapest for me. This is definitely something I will skim through even when I am not taking the class I bought it for.

Excellent book loved it. Received it in excellent condition. Love the rental option.

Simply a classic. If it's not in your collection, and you profess to be a film lover, I will consider you a fraud!

Blah
