## Customer Reviews

Natasha Lewin is a writer, journalist, and managing editor for High Times magazine.

I debated buying this book a few times, I thought it would be just a small little corny book that I would look at once and never pick up again. I was quite wrong. This book is hilarious. Some of the games are corny but the quotes and how to's are hilarious. Definitely worth what I paid for it. Good book

Came on time, good quality book. Only critique is that there could be more "interactive" activities (more popular and fun to do for stoners!) rather than word play, photos, and so on. Still a great

book, and would still recommend purchasing!

It came earlier than expected and it has been super entertaining to go through. I couldn't stop sending pics from the book to my friends I knew would appreciate this! Definitely a great buy and it was an excellent price! Two thumbs uppp :D

This is another table topper... But it's also the cutest activity book ever. My boyfriend and I just loved it, it's a shame they haven't come out with any more, the coloring pages were cute to do together.

I bought it for my boyfriend as a Christmas present, and he loved it!!!! It was just as i imagined it, good quality and arrived just in time for Christmas too. I'm happy with my purchase!

Finally a activity book for stoners...

well after flipping thru the book twice the cover came off .... i feel like enough said books shouldn't do that lol

The cover fell off the book and pages fell out in minutes of use. INCREDIBLY disappointing
