Customer Reviews

I have many Andrew Murray classics in paperback form, and was delighted to add this digital collection to my collection. These are profound and timeless in their message and power to influence those who will take the time to read.

Andrew Murray was one of the great reformers of his time and these are some of his best works. I have almost every book he has written in book form, but I wanted something that I could carry on my Kindle. This does exactly what I wanted. The thing about reading authors that are inspired by the Holy Spirit is that the writings are just as timely and relevant today as the day they were written. He has a theory about the "second blessing" of the Holy Spirit that is unique to him, but it makes a lot of sense. He gives ample scriptural support for it. I tend to think that it may be a matter of semantics and he is saying the same thing that others have said in relation to the baptism of the Spirit, the latter rain, etc. And you certainly can't beat the price. A no brainer.

This is a wonderful collection of works from Andrew Murray. The wealth of understanding and direction that can be had from these books is life changing. The breadth of subjects addressed by the collection covers the whole of the Christian life. My only, ONLY, criticism of this collection is that it looks like the books were scanned and OCR'd then spell checked. As a result, there are numerous word errors. I think if we, the readers, undertake to make aware of those errors, they will change the original files and this will be flawless. VERY happy with my purchase. Now I can take my entire Andrew Murray works with me on my Kindle. :)

Though this man lived in another century his writings encapsulated the true essence of Christianity for any age. Read and see why God used this man in such a wonderful way.

i had used these books in 1980 when in Bible college and am thrilled to find them for kindle for such a bargain price! I love Andrew Murray!

What a great deal for a multi pack of Andrew Murray's writings. The book "two covenants" is worth owning all by itself. I look forward to reading more of the books in this collection.

Always loved Andrew Murray, great deal several books on one place

A true treasure trove! The Master's Indwelling was rich beyond all expectation, but then it's about Him, the Lord Jesus Christ! If the cry of your heart is that I might know Him in the power of his resurrection and in the fellowship of His suffering being made conformable to His death come away with open heart and open Bible to this feast.
