Uncle John's Bathroom Reader Vroom!

Synopsis

Uncle John has the need . . . for speed! (But he always uses his turn signal.) Hop on in and let the Bathroom Readers' Institute take you on the ultimate road trip. From the first motorized vehicles to the flying cars of tomorrow, you'll race around the world to learn about some great sets of wheels and the gear heads who make them go. And not just cars, this book has planes, trains, roller coasters, yachts, and massive machines that literally move mountains. So strap on your seatbelts--it's going to be a fun ride! Read about . . . Secrets of Hollywood car chasesThe original Cannonball RunTaking a ride in the hot-tub limoThe drag queenThe history of airshipsThe Black Beetle: a New York Central train outfitted with jet enginesThe yacht that cost more than some countries' GDPAround the world in 25 waysA car without a driverA look at how a jet engine worksGhost planes and haunted shipsPal Newman buys a BeetleThe origin of crash-test dummies And much, much more!

Best Sellers Rank: #528,620 in Books (See Top 100 in Books) #141 in Books > Humor & Entertainment > Humor > Sports #328 in Books > Sports & Outdoors > Miscellaneous > Motor Sports #633 in Books > Humor & Entertainment > Puzzles & Games > Trivia

Customer Reviews

Bathroom Readers' Institute: The Bathroom Readers' Institute is a tight-knit group of loyal and skilled writers, researchers, and editors who have been working as a team for years. The BRI understands the habits of a very special market--Throne Sitters--and devotes itself to providing amazing facts and conversation pieces.

It is tough to write a review for Uncle John's books because they are all great in their own ways. I

own over 20 of these books and they are some of the best knowledge anywhere. I am currently completing my doctorate and have to read intense books often. My icing at the end of every night before I fall asleep is reading an Uncle John book. The stories are interesting and I have learned quite a bit over the years. I sometimes am embarrassed by how many times I reference facts I learned from Uncle John.

I've found a lot of the recent Uncle John's releases awfully duplicative and repetitive, but this one isn't. The usual "throne" reading one expects from BRI and well worth it.

Good book. Might have bought cheaper elsewhere but when Christmas day is near, and you know that will get it here, sometimes a little extra is worth it.

Thanks for a great product , never disappointed when we order thru

Another trivia masterpiece by Uncle John.

what could be better than sitting on your throne and reading about the automotive world! facts and stories to entertain!

Fun and interesting book! Crammed full of information on everything from Tricycles to space craft. History and present, this is one of the best Uncle Johns out there

For those who Like stories about transportation, this is for you. I found it very entertaining.
