Amazing! My son and I have been following these Skeleton Steve books since he started, and they're so well done! Read it--you'll be surprised!!

I havnt even started to read yet but I konw the book will be awesome just like al your others skeleton steve! you are really my favorite author! the reason i havnt read the book yet was because i wanted to be the first reviewer! either way If I wasnt in the book thats fine but i wanted to change my charactor up a little. I still want to be a skeleton but if you can I would like to have full chain armor and fight with a iron sword. oh and one more thing about my character could he mabye dual wield two iron swords? if so thanks. you boks are awesome i will continue to review more on every book and so on. but anyway i think you are AWESOME and i will wright again,bye.

The reason I rate four stars is cause it is kind of weird that Elias is sort of commandiig the higher rank ninjas.P.S.LegoWarrior if you see this two things.one I did review on STN/Steve the noob an he said he is going to add me.alsoo if you check on thee web you can seee commentsP.S.S just sayingp.s.s.s thanks legowarrior

Hey can I be a new minecraftian named epicsnipez i'm ussualy a swordsmen I want to be taken in with wolfbroJake and luckymist and the rest of the group btw your books are awesomePs can I be a part of the awesome readers list?Your fan -Epicsnipez

I read this book and I really love it!!!!!! It was especially funny and it reminded me of my friends and me mining in minecraft in our realms. If you don't know me I love/hate cliffhangers and To Be Continueds and all that stuff. Its what makes a story good and keeps you on the edge of your seat. BUT it also means i have to wait until i can get the next one!! U

As soon as i seen this book on the kindle i instantly knew i needed to read it as always. put a 5 star rating on this book and the review because you deserved it for the hard work . i was pleasantly suprised to see my name in the book and you are my favorite book writer.goodbye D4imond minc4rt.

This book is so awesome I wonder where is episode five of season two? Ive been searching everywhere but to no avail. Will it come out soon? Ps this is my favorite bookPss My Minecraft username is TongyuCraftzUni and my favorite weapon is a bow.
