Charles Capps is a retired farmer, land developer, and ordained minister who travels throughout the United States sharing the truth of God's Word. He has taught Bible seminars for thirty years, sharing how Christians can apply the Word to the circumstances of life and live victoriously. Besides authoring several books, including the bestselling *The Tongue-A Creative Force*, and the minibook *God's Creative Power*, which has sold over 3 million copies, Charles Capps Ministries has a national daily syndicated radio broadcast and a weekly television broadcast aired over several networks called "Concepts of Faith."

We do not deny that we get sick and need doctors. but too often we turn to psychiatrists and

psychologists instead of turning to our Heavenly Father and his Word. Throughout the Bible God and Jesus Christ speaks words of healing over us and with the Holy Spirit and faith God's words can heal us. He has already healed me from an incurable disease (Systemic Lupus) and I believe he will heal me again. His mercy is endless and this book teaches us how we can speak healing over ourselves.

I bought quite a few of God's Creative Power for Healing for friend and family. this a a very inspirational little book with BIG thoughts.I read it everyday. You do have to believe what you are reading. Belief in God is a must. It works! My friend and family were most thankful for the gift.

This is a tiny but powerful book. I have bought it for several friends because the words are so inspiring. This little book can change peoples disposition about themselves in their illnesses. I've read it over and over so many times It's a great little pack of information.

Love the scriptures in this booklet. Got me through a lot! My old one disintegrated. Good add on price for this. If you're looking to bolster your faith n the finished work of Jesus for healing this and the CD are excellent sources.

This is the best little book with healing scriptures and it fits in pocket or purse. I buy them all the time to give to anyone who needs a healing. I have received many testimonies of healings and encouragement received from standing on the Word quoted in this book. I also have it on my kindle so I always have it available when I need it or when I can share it with others.

I first learned of this book, from a wonderful woman in her 80's. She has used it (successfully) for many years now, and recommends it highly. She has diabetes, history of stroke and breast cancer (which "disappeared" suddenly...without chemo or a rational explanation from her physician). I have given two of these books away to people struggling with severe and life threatening situations, and will be purchasing more to always have on hand. It is a must-have for each and every one of us; as we all sometimes find ourselves beaten down from the negative effects of a not-always-nice-or-easy life. Make the time to read and reread this pocket-sized portion of God's immense power. A "little" book that delivers a "mighty" blow...

read through it pretty quickly and felt it was worth the purchase. It is something youwill need to

re-read for review of the author's thoughts and suggestions to help enrich your own positive goals for getting well and remaining healthy

This is a great healing book to get you on your way to help your spiritual faith and belief get started. It is the nutrition for the soul. Helped me so much.
