Gun Digest 2018

Synopsis

The 72nd edition of the world's greatest gun book! For more than 70 years, Gun Digest has been the number one go-to source and research guide for firearms enthusiasts worldwide. Informative and entertaining articles by the top writers in the field cover every aspect of the shooting sports including hunting, personal defense, target shooting and collecting. Historical articles provide a look back at the role played by firearms in the history of our country and the greatest gunmakers of the 19th and 20th centuries. Reports from the field provide details on all the new firearms and accessories. And we present our annual photo essay spotlighting the work of our finest custom gunmakers and engravers. Gun Digest is the most comprehensive collection of firearms information in print today! It's all here! Customer Reviews

This was for my husband. He's happy with it, so I'm happy. But then he has every Gun Digest since they came out. I actually think some are older than I am.

The most complete single source of information on the market today.

Latest issue of my favorite gun book. Covers all the bases, good stories, useful information and an

adequate catalog.

I look forward to get one every year. Very informative.
