## Customer Reviews

I was thrilled to find this line of sheet music from Hal Leonard. So many times you love a song that you heard sung by a performer, but when you get the sheet music the key is unsing-able (often because the music is aimed for easy playing on a piano not easy singing).

Great for those of us who sing lower than most girls.

Arrived just as described

I emailed my daughter's music prof to see what books she would like her to have! This is one of the ones she requested! I found it on and it was a perfect gift for my daughter! Thanks for always

having what I am looking for!

Do you like Ella Fitzgerald? then get this. Do you like to sing? Then get this? Do you play the piano? Then get this.

beautiful book and helpful for aspiring or professional singers. My vocal coach wanted the book! She said it was great I was finding books in my own key.
