# Mated To The Alpha King

## Synopsis

You're beautiful and kind and very smart. But best of all, you're mine. Do you remember the stories your Grandma used to tell you every night about cursed beasts, village beauties, girls in red capes and wolves in disguises? Well, maybe, just maybe... they actually do happen. Maybe, beasts do exist. They do. I would know. I am bound to one. Whom, you may ask? Well, I am mated to the Alpha King. How? You will see. You will live through it with me. I am Theia Anderson. I am just like any one of you, human, alive, and breathing. But unlike any one of you, I've stumbled upon a world that until yesterday... I couldn't even fathom into existence. This is my story. Grab a copy of Mated to the Alpha King by One-Clicking Now!

## Customer Reviews

I loved reading this book

I LOVED it!! I HIGHLY recommend this!!! I didn't want it to end!!! More please!!! Especially Rome!!!

This book is nothing like Twilight! As someone who read all of the twilight books, there is only some small similarities. The story itself is intriguing. The book has some small errors throughout but other than that it was an amazing g journey.

As some review noted there was a lot of grammar errors .. But I loved the book..I love Bryce character .. I love Alpha males and for being who he was it was just enough alla to love him immensely. Even though theia could have been older great book

A few typos, however an excellent story with charming characters!

I have read this book repeatedly, since I found it one Wattpad. I was so happy that the book got published and I bought it as well. It is a beautiful book full of romance and mystery.

It was interesting for what it was. Would've like more investment in the relationship between humans/werewolves/royals.

I read this when it was on wattpad and fell in love with it!
