Bombay And Goa (Our World In Color)

Synopsis

Bombay was once India's seaside gateway for viceroys entering the country at the height of the British Raj. Today it serves the same purpose, but the viceroys have been replaced by business visitors and tourists. Nestled amidst the high-rises are teeming bazaars, forgotten fishing villages, ancient temples and carefully-preserved enclaves of Victorian gentility. A short trip away lies Goa, land of white churches, golden beaches and festivals. Colonized by the Portuguese, much of Goa's architecture, language, cuisine and customs reflect this strong European influence. Author, Rivka Israel, describes Goa's soul as lying in its sleepy villages, where Christian and Hindu customs mingle happily.
