Customer Reviews

Don't forget the Cliff Notes before beginning any required reading!!! Easy to understand for everyone!!

I had problems getting through the book, I guess the old language slowed me down...but the CliffsNotes really were a big help. I read the Cliffsnotes first and then the book and it went better this time...

The classic cliff notes

I enjoyed re-reading "The Scarlet Letter" Read it in high school many years ago and liked it a lot better because I am older.

Cliff notes always helps me understand books further than my English teacher does. The easy-to-read language really helps me understand hawthorn's Scarlet letter. If anybody has a project on this book this purchase is recommended.

Well done.

The story was the same as I remembered but, I feel I could appreciate at the symbolisms more than I did when I was young reading the story as a young person.

Worked out great for us.
